PROVISIONAL RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

This is a full and complete response to the Restriction Requirement having a mailing date of May 17, 2005. The one month shortened statutory period to respond was set to expire June 17, 2005. However, the outstanding Restriction Requirement contains an error in that it does not address claim 61. Within one month of the mailing date of the Restriction Requirement, Applicant brought this error to the Examiner's attention and to the attention of the Examiner's supervisor. The Examiner faxed a corrected Restriction Requirement (submitted with this paper); however, no copy of this restriction requirement was ever received by mail. Therefore, Applicant has no mailing date on which to base a new due date for Response. Thus, this response to Restriction Requirement is provisional in the event that the Examiner mails the corrected Restriction Requirement.

In view of the following election and remarks, the Applicants respectfully request that the Examiner conduct a first substantive examination on the merits.
